So she's not being charged with possession of marijuana < 1 oz. (# [REDACTED])?

Also, I noticed that [REDACTED] is methadone, not oxycodone (both Class 'B'). Just making sure we're on the same page.

Hi Sonja,

This case has been called in for trial next Tuesday, 2/7/12. The drugs are oxycodone tablets. Would you be available that day? There are only a few witnesses on this case, so I expect that I would probably get to you on Tuesday. If that poses a problem, let me know. Thanks!

Hope all is well.
